DATASHEET
BRIO 105

Give your employees better video so they're ready when work calls. Made by the market leader in webcams[1], Logitech Brio 105 business webcam offers great value and quality with 1080p resolution and clear video at an affordable price.

- **Full HD, great value:** Brio 105 provides great value with 1080p resolution at an affordable price. Now it's easier than ever to deploy a webcam for every employee, so they can feel natural and confident in meetings.

- **Designed for business:** Brio 105 is certified for *Google Meet* and *Works With Chromebook*, and is compatible with leading operating systems and most video conferencing platforms. Easily deploy and monitor Brio 105 remotely with Logitech Sync.

- **Auto light balance:** *RightLight* 2 light-balancing technology automatically improves image quality in suboptimal light conditions.

- **Integrated privacy shutter:** An integrated, easy-to-use privacy shutter completely blocks the camera when not in use. Provides peace of mind, especially for employees working from home.

- **Plug-and-play:** Just plug it into an available USB-A port on a computer or dock and start a video call.

- **Customize with Tune:** Free Logi Tune app lets employees adjust image quality to their preferences.

- **Made with recycled plastic:** Made from a minimum of 77% post-consumer recycled plastic[3] to give a second life to end-of-life plastic from old consumer electronics and help reduce our carbon footprint.

PRODUCT SPECIFICATIONS
